SENATOR DE CAMP: No close.

PRESIDENT: No close, the question is, shall LB 905 be advanced to E & R initial. All those in favor vote aye, opposed nay, or for engrossment. Isn't it? We're on Select File so the question is the advance of LB 905 to E & R for engrossment. All those in favor signify by saying aye, opposed nay. A machine vote has been called for. I figured it would be, Senator Johnson. All those in favor vote aye, opposed nay. We will go to the board. A record vote has been called for. Have you all voted? Record the vote.

PRESIDENT: The motion carries and LB 905 is advanced to E & R for engrossment. The Clerk may read some matters in.

CLERK: Very quickly, Mr. President, an interim study by the Banking Committee. (Read LR 218 as found on page 1227 of the Legislative Journal.) That will be referred to the Executive Board.

An Attorney General's opinion 254, addressed to Senator Johnson regarding 892 will be inserted in the Journal. (See pages 1227-1230 of the Legislative Journal.)

A new bill, 989A by Senator Goodrich. (Read by title for the first time as found on page 1231 of the Journal.)

Senator Koch would like to print amendments to LB 964. (See page 1231 of the Journal.)

Senator Maresh would like to have an executive session of the Business and Labor Committee tomorrow at 1:30 p.m. in Room 2102.

PRESIDENT: We are ready then for the next bill on Select File, LB 848.

CLERK: Mr. President, when we last considered LB 848 on March 12 Senator Powers made a motion at that time to indefinitely postpone the bill which I laid it over. Senator Powers is excused today although I do have a note from him asking that the kill motion be withdrawn.

PRESIDENT: All right, the motion to indefinitely postpone is withdrawn. Senator Newell, for what purpose do you arise?
